

Advertisement (Postdoctoral fellow/Research Associate-I)

Applications are invited from Indian nationals for the post of project-postdoctoral fellow/RA-I in the research area of **Chemical Biology** under the SERB Project No SERB/CHM/2021056 (SERB-PACE).

Project Description: The candidate will be expected to perform multi-step organic synthesis, solid-phase peptide synthesis, and gram-scale synthesis of molecules designed for precision engineering of proteins and protein bioconjugation.

No. of Position: ONE (RA-I)

Salary: 58000/- (HRA as applicable)

Duration: 01 Year (annual performance review)
The extension will be based on the annual evaluation of the research progress.

Eligibility:

- Ph.D. (thesis submitted or defended before joining date) in Chemistry from a recognized University/Institute with a minimum of 60% Marks or CGPA of 7.0 and above on a scale of 10.

Desirable: Applicants should have experience in organic synthesis and peptide chemistry. A prior experience in chemical biology experiments will be preferred.

How to Apply: Applications containing a detailed CV (including name, photograph, date of birth, address for communication, phone number, email id, details of educational qualifications, and name of two referees) can be emailed to vrai@iiserb.ac.in. Kindly mention "**SERB-PACE RA-I**" application" in the subject line.

Last date of receiving applications is **December 18, 2025, 5:00 PM (IST)**.

Shortlisted candidates will be called for an online interview. Photocopies of certificates/mark sheets and other testimonials will be required at the time of the interview. The selected candidate will be expected to join at the earliest possible time.
