

Indian Institute of Science Education and Research Bhopal **Department of Biological Sciences**

Applications are invited from Indian nationals for the post of "**Junior Research Fellow**" under the research project entitled "*Characterizing the cellular and molecular networks involved in retroviral restriction and the viral evasion strategies*" funded by the Department of Biotechnology (DBT), Government of India.

Name of the Post: Junior Research Fellow (01 No.)

Qualification & Experience: Master's degree in any branch of life sciences with a valid CSIR-/DBT-/ICMR-JRF. Preference will be given to candidates having experience of handling mammalian cell culture, gene expression analysis and microscopy. Experience in identification and quantification of proteins by mass-spectrometry is desirable.

Salary: Rs. 31000 + HRA

Duration: 1 year, extendable up to 2 years subject to satisfactory performance and continuation of research project.

How to apply: Prepare resume; educational qualifications, experiences, names of referees, **motivation letter** and a photograph- *send all this by email to* (ajitg@iiserb.ac.in). Xerox copies of the certificates / mark sheets and other testimonials will be collected at the time of interview. The date of the interview will be informed only to shortlisted candidates and no TA/DA will be paid for attending the same. This position will remain open until filled. The selected candidate will be notified by e-mail and expected to join immediately.
