

**INDIAN INSTITUTE OF SCIENCE EDUCATION AND RESEARCH BHOPAL
BHOPAL BYPASS ROAD, BHAURI, BHOPAL 462 066**

DEPARTMENT OF MATHEMATICS

Date: 09/25/2020

Applications are invited for the post of “**Project Post-Doctoral Fellow**”. We are looking for a candidate interested in working with interdisciplinary projects of Operator Algebras, Harmonic Analysis or Representation theory.

Number of posts: 01.

Duration: Nine months or end of grant whichever comes first.

Salary: As per Institute norms, as applicable from time-to-time (current ₹54,000 + 16% HRA).

Minimum qualifications: Ph.D. in Mathematics from a recognized university or institute with research interests in one of the or mixture of one of the broad areas of

- Operator Algebras, particularly, C*-algebras, K-theory of C*-algebras or KK-theory;
- Harmonic Analysis;
- Representation theory.

How to Apply: Send an email to “rholkar@iiserb.ac.in” titled “Postdoc application”. The email should contain

- a detailed CV;
- list of publications;
- research proposal (maximum 4 pages long);
- names, (institute or university) addresses and (official) emails of two referees

as attachments. No other correspondence than the application will be entertained with regard to application status. Shortlisted candidates will be invited to deliver a talk and discuss with the members of Operator Algebra group. Applicants’ CV, research proposal, talk and the discussion(s) with group members shall be considered for selection. We cannot offer any TA or DA for the talk or meeting.

Last date for submission of application: Applications shall be considered until a suitable candidate is found and the position is filled.

For any questions regarding the post, the nature of the project, or the suitability of your candidature for the advertised post, please contact the undersigned.

Dr. Rohit Dilip Holkar,
Office: AB1 306,
