Advertisement for the post of Junior Project Fellow (JRF)
Department of Earth and Environmental Sciences

Date: September 26, 2025

Applications are invited for the position of a Junior Research Fellow (JRF) in a research project funded by the Anusandhan National Research Foundation (ANRF), Government of India.

Project title: An integrated study involving heavy mineral analysis, geochemistry and geochronology to understand the evolution of the sedimentary sequence of Jaisalmer Basin

Number of posts available for JRF: 01

Duration: Initially for 1 year and may be extended depending on the performance of the candidate.

Salary: The position is funded by ANRF, Govt. of India and the salary will be as per prevailing ANRF norms.

Minimum qualifications:

- Post-graduate degree (BS-MS, MSc, M.Tech) in Geology/Applied Geology/Earth Science/Earth and Environmental Science with a minimum of 60% marks or CGPA/CPI of 7.0 on a 10-point scale. The candidate should have a fundamental knowledge of sedimentology, mineralogy and geochemistry.
- Qualified a National-level examination like National Eligibility Test (NET)/CSIR-JRF/UGC-JRF/GATE/Rajiv Gandhi Fellowship or any other Fellowship. Candidates who have not qualified for any of the above national-level exams but have good academic credentials may also be considered.
- Age should not exceed 30 years as on 01.07.2025.

Desirable:

- This position will have a significant amount of field and lab work (e.g., thin-section preparation, sample processing for heavy mineral analysis, geochemistry, etc.)
- The position requires good English communication (oral and written) skills.

Procedure to submit applications: Interested candidates need to send their **application** containing the following documents as a **single PDF via email** to angana@iiserb.ac.in with the subject line “**Application for the post of JRF – ANRF 2025**”.

- Cover letter
- Detailed CV (including a photograph, email ID, phone number, educational/professional qualifications, master's thesis title and a brief description of the work done and details of research experience, if any).
- Name of two referees (along with their current position, address and email ID)
- Copies of all academic marksheets and certificates (in chronological order from Class 10 onwards)
- Proof of qualification of a national-level examination (if applicable)

Application Deadline: October 15, 2025. However, the application deadline may be extended for exceptionally qualified candidates, and positions will remain open until filled.

Only shortlisted applicants will be informed and asked to appear for an online interview. No interim correspondence will be entertained. For any questions regarding the post, the nature of the project, or the suitability of your candidature for the advertised post, please contact the undersigned.
