Advertisement for Junior Research Fellow (JRF) within DST funded research project in the Department of Physics at IISER Bhopal

Applications are invited from motivated individuals for the post of project-JRF in the research area of Physics under the supervision of Prof. Adarsh K. V. within DST funded project No. **DST/PHY/2022-23/26**, as detailed below.

1. **Project Description/title:** Emergent Phenomena in 2D Heterostructures
2. **No. of Position:** One JRF (to join immediately).
3. **Duration:** The initial offer will be for 1 year which may be extended, based on performance and mutual interest.
4. **Essential Requirements:**
 - A Master degree (M.Sc. or M.Tech. or equivalent) in Physics/Applied Physics from a recognized Institute/University with a minimum of 60% aggregate or CGPA/CPI of 7.0 and above on a 10-point scale.
 - Candidate should have qualified CSIR/UGC NET or GATE.
5. **Desirable Requirements:** Candidates with experience in two-dimensional spectroscopy will be preferred.
6. **How to apply:** Interested candidates are requested to send their CV (including name, date of birth, address for communication, phone number, email id and details of educational and scientific accomplishments) and photocopies of transcripts/final mark sheets of all qualifications starting from the 10th class in a single PDF file to Prof. Adarsh K V over email (adarshkv@iiserb.ac.in)
7. **Last date of application:** 14th Aug 2026.
8. The shortlisted candidates will be called for an online/offline interview. Final selection will be based on the performance in the interview.
The selected candidate will be expected to join at the earliest possibility.
9. **Contact Details:**

Prof. Adarsh K V
Professor, Department of Physics
