Junior Research Fellow (JRF) – One Post

Applications are invited from Indian nationals for the post of “Junior Research Fellow (JRF)/ Project Assistant” in a SERB-sponsored research project.

SERB EMR project: Hexavalent Organoseleniums: Late Main Group Catalysts for the Activation of Small Molecules and Asymmetric Transformations

Duration: 06 Months (with possibility of extension on satisfactory performance)

Last date for applications: 25th August, 2026

Essential Qualifications: Master's in Chemistry with a good academic record, with or without a valid GATE/NET qualified exam or PhD in Chemistry; 1-5 years of research experience in organochalcogen chemistry/ Asymmetric Synthesis.

Research Experience: Candidate having research experience in the synthesis of organochalcogen compounds, preparation of precursors for Organochalcogen, and organic synthesis.

Salary: Rs. 37,000 p.m. + HRA for JRF

How to Apply?: Applications should contain an updated CV with all information should reach the undersigned on or before **August 25th, 2026**, by **e-mail** to sangitkumar@iiserb.ac.in. Incomplete applications or those received after the last date will not be considered, and no correspondence will be entertained in this regard. Only shortlisted candidates will be notified of the date of the interview. No TA/DA will be paid to attend the interview.
