

**INDIAN INSTITUTE OF SCIENCE EDUCATION AND  
RESEARCH BHOPAL**

**DEPARTMENT OF BIOLOGICAL SCIENCES**

Applications are invited from Indian nationals for the post of “**Junior Research Fellow**” under the following research project funded by DST-SERB, Government of India.

**Title of the Research Project:** Study of COPI-mediated inhibition of precocious seedling establishment under stress conditions

**Name of the Post:** Junior Research Fellow (01 No.)

**Qualification & Experience:** Masters degree in any branch of life sciences with CSIR/UGC-NET/GATE qualification. Preference will be given to candidates having experience working with Arabidopsis and yeast. The work will involve molecular biology, Arabidopsis genetics and biochemistry, especially protein interaction studies.

**Salary:** Rs. 31000.00 + 16% HRA per month

**Duration:** 1 year subject to satisfactory performance and continuation of research project.

**How to apply:** Applications should contain an updated CV with name and address of 2 referees. Completed applications with all information should reach the undersigned on or before September 23rd, 2020 by **e-mail ONLY** to [sdatta@iiserb.ac.in](mailto:sdatta@iiserb.ac.in). Incomplete applications or those received after the last date will not be considered. Only shortlisted candidates will be notified by September 25th and online interviews are likely to be held in the last week of September.

Dr. Sourav Datta

Associate Professor
